register for the event!

Meet our experts!

Mieke De Schepper

Executive VP of Online Travel & Managing Director of Asia-Pacific at Amadeus

Mieke De Schepper is Executive VP, Online Travel Companies and Managing Director Asia Pacific, at Amadeus. Mieke leads a global team to support online travel agencies, travel media companies and travel start-ups grow their businesses and position Amadeus as the partner of choice. Mieke joined Amadeus in January 2019.

She brings more than 17 years of experience in managing B2C and B2B businesses. Before Amadeus, Mieke worked for Expedia Group, where she held the role of Senior Vice President and Chief Commercial Officer of Egencia, the corporate travel brand of Expedia Group. A Dutch national, Mieke has lived in Singapore for almost 15 years, while also having worked and lived in Europe, Latin America and the USA. Mieke holds an MBA from INSEAD and an MSc in Industrial Design Engineering from the Delft University of Technology.

Timothy O'Neil-Dunne

Principal at 777 Partners / Co-Founder at Air Black Box Company and VaultPAD Ventures

Timothy O'Neil-Dunne is a long time Travel Industry Entrepreneur. He has been to every single WIT since its inception. He has two-day jobs: managing partner at travel consultancy firm, T2Impact (1998) where he serves as the lead for airline practice. He is also co-founder of VaultPAD (2012) an accelerator devoted to travel-related startup businesses.

Timothy was a founding management team member of the Expedia team where he headed the international and ground transportation portfolios. He has worked in aviation and travel for more than 30 years.

Hosted by:

Timothy Hughes

VP of Corporate Development at Agoda

Tim "celebrated" 20 years in the online travel industry in March 2020 – in the middle of the worst downturn in travel since WWII. He has held roles in **Business Development, Marketing, Supply and now Corporate Development**. Prior to the travel industry he was a lawyer and venture capitalist. As an industry commentator he used to edit the of one of the **top online travel industry blogs** (the BOOT: the Business Of Online Travel) and was a contributor to the Travel Tech and Online Industry blog Tnooz (now called Phocuswire).
